“Catalyst – Praying with Persistence Will Create the Power of a Big Bang in Your Life”

Pastor Jack Negrete – CVC-Dayton
February 24, 2008

“Then Jesus told His disciples a parable to show them that they should always pray and not give up. He said: ‘In a certain town there was a judge who neither feared God nor cared about men. And there was a widow in that town who kept coming to him with the plea, ‘Grant me justice against my adversary.’ For some time he refused. But finally he said to himself, ‘Even though I don’t fear God or care about men, yet because this widow keeps bothering me, I will see that she gets justice, so that she won’t eventually wear me out with her coming!’ And the Lord said, “Listen to what the unjust judge says. And will not God bring about justice for His chosen ones, who cry out to Him day and night? Will He keep putting them off? I tell you, He will see that they get justice, and quickly. However, when the Son of Man comes, will He find faith on the earth?” (Luke 18:1-8)

Today’s Principle: A big bang will occur in your life when you pray with power – The key to praying with power & getting results is to pray with persistence.

Three ways you benefit from persistent prayer:

1. Persistent prayer keeps you in God's presence.

“Evening, morning and noon I cry out in distress, and He hears my voice.” (Psalm 55:17)

2. Persistent prayer helps you define and refine your requests.

What does **PUSH** really stand for?

H appens

3. Persistent prayer proves your faith.

“Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; he who seeks finds; and to him who knocks, the door will be opened.” (Luke 11:9-10)
